# ALINA VIKTORIA

## PARA//E/ ARTIST PRESENTATION

Taking you on a trip through the harder tribes, Alina Viktoria aka DJ Schüchtern is always up to break your mind. In her sets you will find diversity, a combination of hard and cheesy, steezy and weezy. It's like jumping out of a helicopter and knowing that you don't have a parachute. Ali also is the mother of Augsburg based movement "Public Energy" which has a lot of positive reactions lately and is also one of the members of the DJ duo "BEBI2BEBI". In her productions, she is drawing in a fresh color, with a very unique and exciting style. Breaking boundaries and showing that there are no rules! A young artist with a big future ahead. The journey has only started. You better make sure to be part of it!
