GOLOSA / IMPULSIVE BEHAVIOR / PARA//E/

KH38 is a Berlin based Techno DJ and producer who loves to excite crowds with his mix of bouncy basslines, groove and naughty vocals. His sound is best described as a frenzy that takes audiences on a journey full of driving techno and mad percussions with juicy acid elements. With his DJ residency lying with Queer Party Golosa he has seen play nationally as well as internationally. Notable appearances include Trashporn in Sao Paolo and also the first ever queer festival in Europe, Whole Festival. KH38's music can be heard on Impulsive Behavior, Obsession, Parallel Hamburg, Syndikaet, Durch Berlin, Sachsentrance and more. Here he showcases his feel good approach to music by creating a blend of cheesy yet exciting edits and original tracks along with vibey podcasts. The goal always being to bring the energy to a boil, to leave the crowd exhilarated and going home with a heartfelt smile.
