# ROMEO

## PARA//E/ ARTIST PRESENTATION

ROMEO is a 20 year old fan of synth pop, post rock and coldwave, based in Mannheim. The name ROMEO originates from his discovery of post rock and general dwelling in the melancholy of Shakespeare's 'Romeo and Juliet'. It's also a way of escapism into a different personality, almost like a second identity, for his nightlife and his musical alias. In his adolescence he found his sound by producing and playing fast hypnotic techno sounds while mixing melancholic post rock vibes in it.
